

On This Side Of The Sun

By Phat

If they'd ask me, my suggestion for a Better Palm Springs would be to send the bleachers at the Field Club to the planing mill. . . . I'm still picking splinters from last week-end's festivities. . . . That was my first Rodeo but if they're all like that, where've I been all this time?

♦ ♦

THE VILLAGE—Al Jolson gave the reporters the run around last week. In fact, the way he acted, he'd be a natural for the stellar role if they ever film the life of Harold Ickes. . . . Mike Todd, of "Up In Central Park" and other musical hits, was back in the Village this week. . . . So was Joan Blondell. . . . In fact, so was almost everybody. This is vacation week. Many who came here for the Rodeo, remained over the Easter and finding a place to stay, or even park, was tough. . . . Joe Marino, formerly Dunes star pianist, is now at Camp Roberts. His chief gripe is that he hasn't even seen a piano since he's been there.

♦ ♦

ODDS AND ENDS—Many national broadcasts have originated here but this Sunday will be the first time an all-local talent event will go out over the nation from the Village. The sun will have been up for some time on the Atlantic coast when the people there hear the splendid music prepared by Holly Lash Visel and the 28th annual service, heralding Easter dawn in Palm Springs. . . . Talk about smart dogs! "Muggy" Murphy, a 13-year-old Irish Terrier and stone deaf, found his way from the edge of town to the officer where Floy Bell is employed and barked at the door to be let in. He'd never been there before. Miss Bell is taking care of the dog for his owner, Ralph Murphy, film director.

♦ ♦

MUSIC—That correspondent who last week asked me what I'd find to write about if there were no Hit Parade, has her answer here. I missed it last week. . . . Couldn't locate a record of Guy Lombardo's theme song, "Auld Lang Syne" in southern California so asked the musical off-spring, now in the east with a swing band, to look for it for me. Comes the answer this week: "Pop, can't buy you that record. If anyone heard me in a record shop asking for Lombardo's theme song, I'd lose my reputation." . . . Anyway, I still think Lombardo's band is great. But I also like Duke Ellington. People can't seem to understand how one person could like both of them. . . . Frank Sabatella, the Waikiki's fine pianist, made me happy this week. He had a lot of old records he was discarding and he gave them to me. Found a lot of my old favorites in the batch. . . . Look out, neighbors!

♦ ♦

ENTERTAINMENT—Patrons at the Dunes had an unexpected treat last week-end when Johnny Burke and Jimmy Van Heusen played and sang their new tune, "This Little Dream Got Lost". The number is featured in a new picture in the making, starring Betty Hutton and Sonny Tufts. Also "Yadda-ta-Yahda," their number which Judy Garland and Bing Crosby just recorded with Harry James' band. These boys wrote the music for "Going My Way" and responded to requests with that mule-fish-pig number. They also played and sang two other new ones, "So Would I" and "A Friend of Yours".

♦ ♦

THIS AND THAT—It's said the saturation points in automobiles will never be reached in California—but that of some drivers already has. . . . I like that statement of Raymond C. Karge. Captain for three years, he retired from the army last week. "From now on, I'm MISTER Karge," he said. . . . Worst pun of the week: He who brings home the bacon after Sunday may not be a superman, but he certainly must have his points!

♦ ♦

MICE AND MEN—Harry Oliver submits the following as a true incident from the army air field: The Captain says—

"The mice are eating up the targets—

"Yes—that is what I said, the mice are eating up the targets."

It was a Sergeant on the telephone calling the Post Engineer—

"Do something about it—poison them—get rid of them."

The Post Engineer called for Pop—a desert oldtimer and labor foreman.

"Say Pop, these desert mice are eating the cardboard targets out at the rifle range, we got to do something."

Pop stroked his whiskers, smiled and said—

"They were here first and there's millions of 'em. Seems best thing to do would be feed them something they like better'n targets—maybe cheese."

Villager Must Face Trial for Manslaughter

Robert Lurton Morris, 42, of Palm Springs, was at liberty today under \$1,000 bail awaiting trial on a manslaughter charge in county superior court, following his preliminary hearing in justice court before Justice R. A. Moore in Riverside.

Judge Moore held the Villager to answer to the manslaughter charge and ordered his bail of \$1,000 continued.

The charge is the result of an accident fatal to Mrs. Katherine Morris, his wife, on Feb. 24. An automobile, assertedly driven by Morris, left the highway about a mile north of town and plunged 100 feet, coming to rest in a pile of boulders. Mrs. Morris died from injuries received before she could be taken to a hospital.

California Highway Patrolman Gene Henderson, one of the investigating officers, was the only witness at Tuesday's preliminary. Attorney Bertram Spears of San Bernardino moved for dismissal of the charges but was overruled by Judge Moore.

Field Club Rodeo Thrills Throngs

Thrills, spills, some injuries, none serious, and a substantial boost to the American Legion's World Wars Memorial fund and the Palm Springs Community Hospital fund came out of the most exciting two-day Rodeo ever staged here, last Saturday and Sunday.

It was announced Wednesday that gross receipts from the admissions, concessions, Saturday night's dance, the programs and other items were slightly in excess of \$11,500.

CITY GETS SHARE

Of this fund, the Western Rodeo association which put on the big show, furnishing the great stock and the performers, the Owen B. Coffman post of the American Legion and the Los Compadres club which jointly sponsored the event, the city, owner of the Field Club where the event was held, and Uncle Sam, profit.

The Los Compadres club, Elmo Purnell, president, will give the major share of its portion of the net receipts to the Community Hospital fund. The American Legion's share will go into a World Wars Memorial fund.

Annual meeting of the Palm Springs Chamber of Commerce is scheduled for next Tuesday evening at the city council chambers in the El Paseo building at 8:00 o'clock.

Many important matters are scheduled to come before the meeting including election of 14 directors, reports of the year and plans for future expansion.

Excellent speakers and entertainment are planned, Walter Kofeldt, executive secretary, said today.

There are more than 300 members (Please Turn to Page 8)

Local Music Will Feature Easter Dawn

For the first time in 28 years, music for the Easter Sunrise service here will be presented by a group of approximately 60 Palm Springs singers under the direction of a Palm Springs musician, Holly Lash Visel.

Since 1917, which marked the first dawn observance of Easter in the Village, the program of traditional Easter music has been presented each year by visiting singers from neighboring communities.

ONE BIG CHORUS

This year, however, all local church groups have been united by Mrs. Visel into one huge chorus which has been rehearsing under her direction for the last two months, although group rehearsals began at her suggestion much earlier in the year. Local organizations participating are the Community Church Choir, City Singers, High School Glee

Red Cross Drive Quickens But Is Still Not Filled

The drive to fill the Palm Springs Red Cross branch quota of \$26,910 this week after lagging during the fore part of the campaign but was still shy several thousand dollars, Carl Haymond, branch finance director and fund chairman, said last night.

The official end of the campaign comes tomorrow and Mr. Haymond urged all who plan to aid the Red Cross this year to do so before tomorrow evening.

The need is much greater and every dollar of the quota should be in the hands of the Red Cross by the end of the campaign.

Lipps Purchase Ranch at Hemet

Mr. and Mrs. Thomas Lipps, who recently sold their Hotel Del Tahquitz here, have purchased the Jerry Maier ranch at Hemet, according to information from that community today. Reported consideration was \$60,000. They plan to remodel it into a guest ranch, it was said.

The Del Tahquitz was sold by the Lipps to Eugene S. Colburn, Dan Gershon and Lester Scott, all of Los Angeles, earlier this month.

Palm Springs has been asked to join in the United National Clothing collection to provide garments for millions of needy people in the devastated countries of Europe. Henry J. Kaiser is executive director of the national organization which is a part of the treasury department procurement division.

Drive For Better Palm Springs Off To Flying Start

Improvement Fund of \$25,000 Will be Raised During "Chamber of Commerce" Week, Scheduled to Start on Monday

Given the tremendous impetus of ten enthusiastic group meetings, Better Palm Springs week will be off to an excellent start next Monday morning to continue until Friday evening.

A special fund of \$25,000 to further a program of 13 immediate points for a better Palm Springs and to set up a reserve for future betterments will be raised next week and from support of the plan shown this week, the goal will be raised.

PLACED IN GROUPS

Carl G. Lykken is chairman of the campaign and the program was drawn by the finance and program committee of which Robert Ransom is chairman. Earl J. Smith, chamber of commerce expert, is in charge of planning and arrangements.

The Village's 600-odd business licensees have been placed in ten classified groups, each with their own co-chairman and these groups either have, or will have, their individual meetings before the actual start of the drive.

TWO QUESTIONS

Enthusiasm at these group meetings has been high. Two questions were put to each group:

"What do you suggest are the outstanding things of first importance to be done for the good of Palm Springs as a community?"

"What do you suggest the Chamber of Commerce do in order to help you in your business or vacation?"

In every case practically every person present answered the first question, indicating a thorough interest in the Village, present and future.

TWO-PART FUND

To further the campaign for a better Palm Springs, the special fund was set up, one-half to go for a 13-point program, with ramifications, now, and the other \$12,500 to be put into war bonds for future improvements.

The entire campaign is based on the slogan: "Make Palm Springs More Attractive to Attractive People."

OUTLINE PROGRAM

The program for immediate activity was outlined by Secretary Walter Kofeldt as follows:

1. Mount San Jacinto Aerial Tramway.

2. Airport—the finest in the southwest, now being used by Army, reverts to city.

3. Highways and Free Ways.

4. Flood Control.

5. Private business construction.

6. Private home construction.

7. Beautification of main street.

8. Civic construction—City Hall auditorium—Fire House.

9. Parks.

10. Recreational facilities—including improvement of Field Club recently purchased by the city—public swimming pool.

11. Mountain trails for equestrians.

12. Zoning.

13. Indian lands.

LONGER HOURS

It also includes plans to keep Chamber of Commerce offices open from 9 a.m. to 9 p.m., every day of the season and to have attractive Welcomettes in appropriate uniforms on duty at all times to help tourists and visitors with information on accommodations, points of interest,

Hospital on Final Lap

Fund to Build Topped, Maintenance Fund Near Goal

With proceeds from the great benefit show, "God is My Co-Pilot" approaching the \$10,000 mark as reports come in and the official figures issued at headquarters, showing \$160,000 sub-

scribed, the Palm Springs Community Hospital is assured today.

As outlined at the beginning of the campaign, the Hospital association set \$200,000 as its goal, \$150,000 for building and fully equipping the institution and \$50,000 for maintenance and operational expenses for the first few months.

Florian Boyd, chairman, and Ernest Alschuler, vice-chairman, today were profuse in their thanks to all who aided in the successful campaign. With the building fund assured and the maintenance fund practically over the half-way mark, they today asked all of those who had promised to contribute but who still had not sent in their contributions, to do so before Saturday noon's final meeting of the committee and all who worked on the campaign.

Mr. Alschuler reported that as of Wednesday, the receipts from the benefit donated by Warner Brothers and Earl Strebe of the local theaters, had totaled \$9,850 with a few more reports to be made. Special thanks was expressed to Mr. Strebe and to Warner Brothers.

Final report on the competitive campaign between various organizations in the Village and the awards of prizes will be made at tomorrow noon's meeting at the Desert Inn.

By T. D. A. Cockerell

The Palm Springs Desert Museum, in the east wing of the library building, is open daily from 10 a. m. to 5 p. m. This week there will be a lecture on Friday night, repeated on Saturday night, and next week Wednesday night's program will be repeated on Thursday night. On these evenings the Museum is open from 7 to 9:30. The program begins at 7:30.

On Friday evening, March 30, and Saturday evening, March 31, the subject of the program is "Conservation". Prof. Cockerell will give a talk on "Taking Care of the Desert"; and Villager Winfield H. Line will give a talk on "Fire Fighting," and show his motion picture, "Fire Watcher's Lodge on Tahquitz Peak". Some of the following motion pictures will be shown: "Palm Springs and Desert Wild Flowers," "Gray Owl, Canadian Conservationist," "Enos Mills, Colorado Conservationist," "When Mountains Call," and "Life of Glacier Park".

On Wednesday evening, April 4, and Thursday evening, April 5, the subject of the program is, "Birds of the Desert." Prof. Cockerell will give the talk, and there will be motion pictures of "Owls and Hawks", "Knight's Golden Eagle", and "The Humming Bird" and some colored pictures.

The next field trip sponsored by the Museum will be on Saturday, April 7. Winfield H. Line will lead a party to Tahquitz Canyon, leaving the Museum at 10 a. m. and returning about one o'clock.

The Lily Family. Originally the name lily was used in a very wide sense to include many sorts of wild flowers, but today the botanists recognize a genus Lilium, the true lilies in the modern sense, and associated with them are many different plants, to make what is called the Lily Family. The flower consists of six parts and there are usually six stamens. Most of the species come from bulbs. The typical lilies do not occur in the desert, but Parry's Lily is found on San Jacinto Mountain, at and above four thousand feet altitude. It has yellow flowers. The Mariposa Lilies, numerous in California, are among our most beautiful plants. They are sometimes called Mariposa Tulips, because they have much the form of a tulip, but in calling them lilies we merely indicate their position in the lily family.

Among the various kinds is the Desert Mariposa, of the Mohave Desert, a rather small plant with the most wonderful scarlet flowers. It is visited by a small bee, which has not been observed on any other flowers.

The yuccas, or Spanish Bayonets, do not look like lilies, but have a similar structure. Yucca Whipplei, also called Our Lord's Candle, has great spikes of white flowers, and is common in the vicinity of Palm Springs. It has a special little moth which visits the flowers and brings about fertilization. The Joshua Tree is abundant in part of the Mohave Desert, is a giant tree-like yucca. The region where these trees are most numerous has been set aside as a National Monument. Many years ago the yucca was adopted as the flower of the agricultural college in New Mexico, with the motto, "E bello pax", meaning, out of war, peace. The white flowers, symbolic of peace, spring from the midst of the bayonet-like leaves. This may have some meaning for us today.

The Nolina is rather like a yucca, and may be mistaken for one. It is found on our mountain sides. Another genus of the lily family is Allium, the onions. Of these we have many kinds, no less than fifteen in Southern California. Some of them are quite handsome. We must not forget to mention the beautiful Desert Lily, Hesperocallis, which is really a native of the deserts, and if there is not sufficient rain, it can remain a long time as a bulb beneath the surface. It should not be thoughtlessly picked or destroyed as it might easily become extinct.

Popular Nurse at Torney Promoted To Captain's Rank

One of Torney General Hospital's most popular nurses, Ethel C. Mortimer, has exchanged her silver bar of a first lieutenant for the double bars of a captain. Announcement of the promotion, effective March 13, was made by the War Department.

Captain Mortimer, a native of Haworth, N. J., enrolled in the Army Nurse Corps, April 1, 1943, and was assigned directly to Torney, serving for 18 months in the Outpatient Service and general duty, and for the last 6 months on the administrative staff of the Chief Nurse.

A graduate of Skidmore School of Nursing, Saratoga Springs, N. Y., Captain Mortimer's civilian experience was with the New York Post Graduate Hospital and with the Montclair, New Jersey Bureau of Public Health Nursing.

Girl Scout Group Hunting New House Near School House

Girl Scout Council of Palm Springs was on the hunt this week for a new home for their very rapidly expanding Girl Scout troops here following their stay at the Little Scout house on Bartisto road.

Through the generosity of Mr. and Mrs. A. G. McManus, Girl Scouts have been meeting at the Little Scout House on property offered them for their use. But now this property has been sold and the Scouts must move.

The council, at its meeting, expressed its deep appreciation to Mr. and Mrs. McManus for use of the land for the past few years, making possible the increasing success of the group.

Site for a new meeting place is being sought and if the council cannot lease land close to Frances S. Stevens school, they are prepared to buy a plot, it was said.

**Meet the "workhorse"****of the railroads**

Not glamorous, not a "show-off"—the unpretentious box car. You never see it bristling with Sherman tanks, 105 mm howitzers, 10-ton trucks and jeeps, like the flat cars and gondolas. It's just a modest workhorse—doing one of the biggest war transportation jobs of all.

When you see a mile-long string of box cars, just think of this. These plain, unassuming cars are carrying the war to Japan. Inside are airplane engines, parts to outfit ships, medical supplies for our men in the Pacific, millions of tons of foodstuffs and ammunition and small arms.

For nearly all the war cargo that goes to sea, goes by rail first. And this huge transportation job is just as important as fast production in our war factories.

The humble box car best symbolizes the fact that transportation is not the job of one railroad. It's the job of all railroads working closely together—pooling their resources and exchanging equipment and facilities.

That is why you see on Southern Pacific rails the box cars of nearly every railroad in the country—New York

Central, Erie, L & N, Illinois Central, Northern Pacific, Union Pacific, Burlington, Rock Island, Pennsylvania, Southern, Western Pacific, and Santa Fe to name just a few.

As the pressure on Japan increases, you will see an increasing number of war freights rolling on Southern Pacific's 15,000 miles of line. That's because Southern Pacific serves the major West Coast ports of embarkation and more military and naval establishments than any other railroad.

When you see these freight cars, representing almost every railroad, let it remind you how all the railroads are working closely together to deliver the stuff our fighting men need—on time!

Third Grade Adds To Contributions To Hospital Fund

Tuesday afternoon, children of the third grade of Frances S. Stevens school enjoyed a delightful party and also contributed to the Palm Springs Community Hospital fund.

The class has been studying China and went to the Kamao House where they were served tea and rice cakes and enjoyed the party greatly. They had much fun with the chop sticks and the fortunes in the rice cakes.

Billy Briones, proprietor, donated the party for the youngsters so they took the money they had collected for the party and put it into the Community Hospital fund.

In all, the class has contributed \$450 to the fund. Their teacher is Miss Lila Eckert.

Another Call for Aid Issued Today By Welfare Group

WIDELY KNOWN HERE

Lois Lux, versatile organist and pianist of Palm Springs will be the accompanist.

Mrs. Visel, widely known in music circles throughout the western states as a concert soloist and music director, has been associated with successful music activities in the Village for the last several years, and at present is the director of the Community church choir and the Desert Singers of Torney General Hospital, as well as director and member of the Palm Springs trio.

Recently she completed final arrangements with the NBC blue network for the broadcast of Easter music which will emanate from the Plaza Theater at 5:30 Easter morning—preceding the Sunrise service which is scheduled to begin at 6:30 on the hillside back of the Desert Inn.

In charge of arrangements for participating groups are De Rugh Brainard, Community Church Singers; Mildred Welch Wagner, City Singers, Violet Fletcher, the High School Glee Club which has been trained by Alexander Hammond, and Mrs. Margaret Ellisor, the Desert Singers.

"After Easter we will be going over our clothes and linen closets," she said. "Let's remember the House of Friendly Service the House of Friendly Service with our cast-offs."

DESERT HOT SPRINGS

Desert Hot Springs is proud to announce that its fourth Sunrise Easter service will be held at 6:15 A. M. on top of famous Miracle Hill, this Sunday, April 1st.

A new road has been graded from Desert Hot Springs to the top of Miracle Hill, and additional parking space leveled off there. These improvements have been completed to accommodate the many visitors who journey here from Banning, Palm Springs, and other nearby points, to attend the Easter service.

AT HIGHEST POINT

The Sunrise service at Miracle Hill is very unique because the rays of the rising sun can be seen on San Jacinto's snow-covered peak several minutes before the sun itself rises over the mountain range which stretches east and southward into Mexico.

Miracle Hill is the highest point in the floor of the upper Coachella Valley, and at its base is the natural oasis of Two Bunch Palms, near the large cross where the services are held in the oldest stone cabin in this part of the desert which was built by Cabot Yerxa in 1913.

This year the Easter service will be military in character, conducted by Chaplain George Pearson, Lt. Col., U.S.A., assisted by Rev. Lawyer of Banning. Musical numbers will also be given.

A Red Cross musical will be given Thursday evening at Blue Heaven Ranch, home of Mrs. Violet Dinsmore.

Mrs. Lynn Moore, pianist and composer, of Desert Hot Springs, and Mrs. Marjorie Ransom Kennard, soprano, of Redlands, were the musicians.

Accompanied by Mrs. Moore, Mrs. Kennard sang the "Twenty-third Psalm". The music was composed by Mrs. Moore, and Mrs. Kennard was singing it in public for the first time.

Easter Promise

Not since the glorious dawn of that first Easter when men lifted their eyes from darkness and destruction to a promise of a better world, has an Eastertide brought such high hope as beacons the season in this year of universal war.

The effort toward a world peace of permanence and fraternity never was greater than today. Bitterly pessimistic and hopeless is the man who wholly discounts the earnestness of such an effort. However imperfect the first delicate structure of a world peace organization may be, and however selfish the intent of some of the participants, the will to lasting peace was never greater than now, the impetus never sprang from broader, worldwide sources.

The coming international conferences, seeking the road to peace for all men, will have before them the lessons of earlier peace plans whose highest value as guide posts will be their utter failure in our own time. And from a hundred fronts the rolling thunder of bombing, of battle, of death and desolation presents the hourly evidence of the terrible necessity to find that road.

The Prince of Peace, who gave His life for a better world, bade men on earth to hope and to pray. In this Easter season, the service stars that hang in our windows enlarge our hope and increase our prayers that out of this holocaust men of good will and earnest intent will forge the first fragile key to peace on earth, the crowning hope of all men.

End For Germany Nears

The war in Germany is smashing to a bitter, devastating climax. Hitler's armies, while they still fight—and with fanatical fury in many instances—are beaten armies, no longer nursing any faint hope of victory. Behind their lines, the civilian population, dazed by the hurricane of death and destruction from the skies, clogs the highways as it seeks to escape the same fate which the Nazis once inflicted on helpless millions in other countries.

It may be days or weeks before the collapse comes. It may be a month or two. But for Germany the end nears, and only the day and the hour are still undetermined. Germany is like a man hopelessly doomed—dying a little every day as he paces the death cell, waiting the call to the gallows. Nazi Germany is dying that way—a slow, miserable death, without dignity, with a heart burdened with its own iniquity.

Japan, too, faces the inevitable violent end of a felon among Nations—with the terror of death already gripping her people, even though she may survive her criminal Axis partner for some time. But the paroxysm of death already is on her cities and her home islands have become a death chamber.

We can feel no pity for the guilty in Germany and Japan, but we hope no other Nation ever again will merit such violent retribution.

Who Reads The Ads?

In these times when the news both abroad and at home bids strongly for reader attention, newspaper editors themselves have wondered occasionally what a broad and unbiased poll on advertising pull would show. The Advertising Research Foundation decided to find out in the simplest, surest way—by asking the people who buy and read the papers.

What they found out, comments the Pacific Printer and Publisher, reporting the survey, surprised even the National advertising experts.

Polls of 72 representative communities showed that 84 percent of women read society news and 95 percent read the advertising! The combined count of men and women in relation to reader interest showed that the sports pages draw the attention of 55 percent, society 59 percent, comics 80.5 percent—and display advertising, 87.5 percent.

On their own merits and undisguised as news, the poll disclosed, the ad columns provide a helpful and necessary component of modern living. Even with the war news competing strongly for reader attention, the survey proved once again that the people who read the ads are the biggest percentage of the people—both men and women—who have learned to depend on advertising for a type of information unobtainable through any other source or medium outside their own regular newspapers.

Salary Adjustment Asked by Justices And Constables

Terming themselves Riverside county's "forgotten men," a committee representing the justices of the peace and constables association, appeared at Monday's meeting of the board of supervisors to request salary adjustments.

Acting as spokesmen for the group were B. F. Compton and Philip Truby, justices of peace at Perris and Beaumont respectively.

Asserting that no provision for salary increases was made by the supervisors in county salary ordinance No. 307-C, committee members declared that upward adjustments should be made to enable justices of the peace and constables of Riverside county to keep up with the rising cost of living.

"If it were not for pensions I receive as a veteran of the Spanish American and World Wars I could not feed my family," asserted Justice Truby.

Also addressing the county governing board on the subject of the committee's visit was Constable John S. Kimball, of Riverside township.

Guy Pinney is justice of peace for Palm Springs township, and Clarence Templeton is the constable.

The delegation was assured that their request would be carefully considered and any indicated action taken by the board.

Popularity of the "Bonds for Children" program has taxed the Treasury Department War Finance Headquarters of Southern California to such an extent that it has been found necessary to decentralize the issuance of the certificates from the Los Angeles office to individual counties, according to Mrs. E. J. Teberg, chairman of the Women's Division.

"Bonds for Children" have been doing double duty. They are helping to see the country through its stormiest days, and they'll be there to help the owners should the need arise.

"Certificates of copyrighted colored Walt Disney characters can now be obtained for children through 12 years of age by making application at any issuing

agent for purchase of the bonds," Mrs. Teberg said. The program, which originated in Southern California a year ago, has had such wide appeal that it has been adopted nationally by the Treasury Department.

No Successor to Chief Lyle Sanard Named by Manager

No official announcement was expected from City Manager Ray Sorum on a successor to Chief of Police Lyle J. Sanard, who last week handed in his resignation, asking that it may be effective April 16.

Chief Sanard, who has been head of the local police department for the past four years, plans to retire to private business and will operate a gardening and pool maintenance business with offices on Indian avenue.

No announcement is expected officially, at least until city council meets next Wednesday.

It is understood one application for the post has been made.

Improved Tropical Combat Boot

An improved tropical combat boot has been developed to replace the present rubber soled jungle boot, it was learned today at Ninth Service Command headquarters.

The new boot is equipped with a heavy synthetic rubber sole, deeply cleated, a five-inch cuff, high enough to fold in the trouser leg, and is fastened with two straps and buckles. The upper part of the boot is composed of a chrome retan leather vamp, with the flesh side out. Quarters, cuff and tongue are of olive drab nylon.

Annual Report of Transamerica Co. Shows Good Year

The annual report of Transamerica Corporation released last week by Chairman of the Board, A. P. Giannini, shows net profit for the corporation and all domestic subsidiaries for the year 1944, after provision for taxes and minority interest, of \$16,241,340.46, or \$1.63 per share, on 9,935,650 shares outstanding at the year end, compared with net profit of \$15,482,716.27 in 1943, or \$1.55 per share, on 9,982,000 shares outstanding at December 31, 1943.

The profit for 1944 is exclusive of \$4,126,489.93, or 41 cents a share, representing the estimated value of tobacco received in liquidation of the Axton-Fisher Tobacco Company in excess of that company's cost and credited to deferred income pending realization by sale.

During 1944, according to the report, 46,350 shares of Transamerica Corporation stock were acquired and retired to the corporation's treasury.

Capital stock and surplus, it was shown, totaled \$94,083,599 at December 31, 1944, compared with \$87,115,066 the year before.

Much Business Up For Attention of Student Council

Called to order in room eight by President Bob Lineau, the twenty-first regular meeting of the Student Council was held Thursday morning during first period.

Bob Lineau suggested that emblems be given to cheer leaders for each sport in which they participated. It was moved that the constitution be adhered to-wit: Cheer leaders must turn out all year to get an award.

Warner Moore moved that Don McLearn be made Secretary-treasurer of the Letterman's Club, replacing Bob Bell.

Coni Tilghman moved that Jean Kay be secretary of the Freshman class.

John Klug nominated Mort Alagase for Commissioner of Publicity.

Loren Rude moved that Tommy Peterson be Little Chief of the Tribe.

The next meeting of the Student Council will be held on Wednesday due to Spring vacation.

"Harmony Hall" Great Success

"I feel that our student ticket sellers did a fine job in helping to make 'Harmony Hall' a success," Miss Bernice Lamb, business manager for the operetta, said today.

Jimmy Bigley, Freshman, earned the title of star seller by selling \$71.00 worth of tickets, for which he was awarded a \$5.00 prize.

Close runners-up were Joyce Maloof, Junior; and Lane Archler, Freshman.

In class competition, the Freshmen far out-showed the others, with the Senior class following.

The proceeds of \$150.00 were donated by the Student Body to the Palm Springs community hospital fund.

Seniors Discuss Gift to School, Plans for Prom

Plans were discussed and seconded that the Senior Class of '45 would leave as their gift to the school a 39x60 Honor Roll. Accompanying this will be a five by ten-foot service flag. This flag contains 200 stars and more may be added as more fellas join the service.

Four girls were nominated for Prom Queen. These girls are: Barbara Emigh, Barbara Inman, Babs Neel, and Lila Lee Lilley. Juniors and Seniors will be asked to vote on one of these girls as the Prom Queen of '45.

1945 Chia Said To Be Best in School History

Said to be the best in the history of Palm Springs high school, the 1945 Chia is well on its way, and the staff of the publication has been appointed. Mrs. Katherine Martin, faculty adviser for the school year-book, announced today.

Approximately half of the material has been sent to the engravers so far, and the rest is expected to be in sometime in April.

Art Jones has been appointed editor of the staff; Gillar Boyd is assistant editor; Jack Edward Ries is art editor, and Bob Dart is business manager.

Paul Summers deserves much credit for doing a wonderful job, supplying photographs; Miss Velma Kowallis has aided in art work, and Irvin Matloff, local photographer, has given invaluable assistance by taking the Senior portrait pictures.

The staff also wishes to thank all students who aided in the drive to obtain campus snapshots. It is expected to have the Chias ready for the Seniors a week before graduation, and the rest will be distributed during the last day of school.

May We Introduce By MORT AND BOB

GIRL OF THE WEEK

From the mighty class of Seniors, I have chosen this smooth little gal to introduce.

She arrived in Palm Springs two years ago from Corsicana, Texas, where she was born, November 30, 1926.

She hopes to go to Pasadena J. C., where she intends to major in journalism and literature.

As for her love life, she has none, or at least wouldn't admit it to me. Her ideal man must have dark hair, blue eyes, and be not too tall. A very surprising pet peeve coming from a girl, is this Senior's, "Girls!"

Five feet five, brown hair, gray eyes, and weighing 114, you may have guessed who I am introducing.

With fried chicken, a green salad, a pineapple shake and any recording by Harry James, you will find her very content.

Being a studious little brain, she has achieved the offices of assistant editor of the Palm Springs Smoke Signal and vice-president of the Press Club.

Always with a wise-crack come-back, you will find yourself in an argument (which you can never win). She considers herself correct on any point she is debating.

Taking in almost all local movies with Dennis Morgan or Judy Garland preferred, is her favorite pastime.

After this last paragraph, you probably know who I am writing about.

She may almost always be seen loafing around town with Mary Ann Gorchester and Violet Fletcher.

To end this brief little assignment, her ration book reads, "Margie" Dee Walker.

BOY OF THE WEEK

Open House to be Held at P.S.H.S. For School Week

The twenty-sixth annual observance of American Public Schools Week, sponsored by the Masonic Fraternity of the United States, will find local expression in an "Open House" to be conducted at the Palm Springs High School on Thursday evening, April 26. The latch string will be out to all parents and patrons of the local schools for the entire week, starting April 23, and visiting with teachers and in the classrooms will be encouraged every school day during the observance week, but special effort is being made to attract the public to the "Open House" programs in the evenings.

At a high school faculty meeting held this week, Dr. E. E. Oertel, principal of the high school, appointed Miss Mary Louise Gaylord and Mr. Alexander Hammond a committee to arrange the program for the high school "Open House" on April 26.

The evening program will feature music by Mr. Hammond's choral groups, girls, boys and mixed. The school band will play, and Miss Gaylord's dramatic class will put on a one-act play. After the auditorium program, tea will be served in the home-making department, and classrooms will be open for visits with teachers and review of exhibits. All high school teachers will be in their respective rooms serving as hosts to parents and friends of the school.

The auditorium program will start at 8:00 P. M. and will continue for approximately one hour and a half. Classrooms will be open before and after the program to all visitors.

Dick Doro was one of the evening's gun men who helped supply the corpses carried out at irregular intervals throughout the evening.

Winning prizes for the most impressive cowgirl and cowboy were Coni Tilghman and Bob Lineau, and there were door prizes, too, for both couples and stags. Larry Emerson won the door prize for the stag boy and Mary Ann Gorchester for the stag girl. The winning couple was Barbara Inman and Bobby Bell. Bobby is back for a little while and looking swell in his uniform.

Pretzels and root beer made a big hit, and refreshments tasted even better by the flicker of candle light. The signs and posters brought more than one laugh. Klug was almost forced to put up a sign on his back reading "sold", there were so many inquiries concerning his second-hand out-house.

Some of the kids never seemed to find their way out to school. I guess they simply couldn't resist the preview at the Plaza Theatre, and judging by the trance Barbara Emigh was walking around in for the rest of the night, it was a pretty good picture. In the end, however, most anyone could have been sighted parked somewhere up at L. T.

Some of the dates I was able to make underneath two-ton western hats and cowboy leather were St. George and C. J., J. B. and DeLorse, Manley and Joan Whorton, Warner and Julie, Klug and Hook, Joy and Loren Rude, Shirley and J. O., Mazie and McKinney, Wilson and Carol, Hahn and Betty Ann, Coni Tilghman and Bernie Doyle, Les and Bonnie Sue, Ed Wills and Patty Hine, and many others.

There were also plenty of stags at the dance, both gals and guys who all seemed to find plenty of ways in which to keep themselves occupied. Larry Pierce and his gang drank root beer for time on end on already full stomachs, and were generous enough to share some with Mazi-Bell, who had torn herself away from McKinney for a little while. Moreover, she didn't seem to take the parting so hard, as she seemed to be enjoying herself more than a little. Bill Carey paired off for the evening with Jeanette and Harvey Gorchester found his way to Jo Ann Wilkes who had been preoccupied with Dick Harwood from Black-Foxe Military Academy.

Robert Morrison and his sailor friend kept two girls laughing and in hysterics with fantastic tales about military school and walking off cliffs.

In town over the Easter vacation we've seen the familiar faces of Carol Linde, Garland Privett, and John Chaffey, all coming back to enjoy our lovely weather and other things. Plug!

GAZOOZIT

Sit back and relax, folks, with all due preparations, to relieve the shock you have been fearing to face all week long. This is LoLo again returning in the familiar garb of the gazooziter after seven days rest from the trials and tribulations of prying into the private affairs of other people.

The Freshmen Cowboy dance, Friday, was a good dance, and could be almost called a party. Everyone was in a super superb mood, which called for pistol popping and plenty of jokes.

Next to the band, Micky Wicky, herself, and her talented brother and sister; Gloria Diamond, C. J. Lyter, Dorris Sparks, and Art Jones were the chief entertainers of the evening. Gloria sang "The Cow-Cow Boogie", with C. J. at the piano. Art did some fine voluntary pounding on the drum while the band was resting up, and Dorris was strictly realistic with a fine cowgirl accent and added talents which aptly entertained her admirers? She must have been filled to the brim with jokes at her little table, because I've never seen J. B., Babs, Dart, Delano, or DeLorse laugh that hard before.

They looked like a group of Holy Rollers proceeding to double up and roll.

Dick Doro was one of the evening's gun men who helped supply the corpses carried out at irregular intervals throughout the evening.

The money will go to build a solarium in the community hospital. A plaque will be placed over the door giving credit to the high school.

All pledges must be paid on or before May 15, 1945.

heard, her man is quite the good looker.

I saw Barbara Croft at the show with a sailor Monday night stopping traffic at the ticket stand to carry on a little conversation with Bob H.

Too bad Polly isn't here this year to see John Chaffey. They used to go around together a lot last year 'til a change of residence wilted the ripened romance.

Don Hainer has checked out of school now, which fact leaves poor Mary Ann Slocum on the verge of tears.

Have you heard about Pat Flett and Galzis? Their conversations each morning first period are long and varied in consistency, but as yet they seem never to hit upon the subject of "The Tale of Two Cities."

Have you seen Art Jones' new horn-rimmed lensless glasses? I suppose they are a new invention of his. If so, they ought to be very practical. No danger of breakage.

In case you are wondering about the new faces on the campus, I may as well inform you that some of them are just visitors. The boy you've seen with Les is Bob Covington from Coachella and Bonnie Sue's cousin. Porky's girl friend, Dorothy Durrell, is from Redlands. If you see two cute girls, one with dark hair and the other with blonde, they are apt to be the Steer sisters from Downey. The blonde has her eyes on Bobby Jones, but the gal on his mind is a friend of Joy's from out-of-town, and she's no blonde.

Hogg is still running around with Moseley, and I saw another gal from Redlands out with Alagase the other night.

Oh well, so your head is swimming with all the new faces. So is mine, and I think I've written enough for this week.

This is LoLo returning again to the store windows and counters (or should I say newspaper stands) all over Palm Springs (and Cathedral City). Remember me. I'll be waiting for you—with open ears ready for all the current gossip. That's all for now, and just to beat the remarks from the popcorn gallery, I'll also add, "that's enough!"

In town over the Easter vacation we've seen the familiar faces of Carol Linde, Garland Privett, and John Chaffey, all coming back to enjoy our lovely weather and other things. Plug!

Have you heard about Merri-Crockett's engagement? Well, she is, and from what I've

Backstage Staff For Senior Play In May Announced

Announced last week by Miss Mary Louise Gaylord, director of the Senior play, "Spring Green", were the names of students responsible for the backstage phase of the production.

Stage managers are Harold Emigh and Wendell Delano.

Edith Greer and Maurice Smith are responsible for securing the necessary large and hand props.

Make-up will be under the direction of Barbara Emigh.

Maryann Gorchester and Mildred Woolhouse are in charge of the costumes.

Business manager is Margaret Walker.

Publicity is under the direction of Margie Reineker.

To be presented early in May, "Spring Green", written by Florence Ryerson and Colin Clements, is a comedy in three acts, starring sixteen seniors.

Indians Make it Three in a Row In Baseball Loop

In a breezy but fast game, Palm Springs' Indians remained high team on the E. R. C. L. totem pole with the defeat of the Arabs from Coachella by a score of 4-0. It was victory No. 3 with no losses, for speedballer Frank Devers, this time a no-hitter.

Devers put the Arabs down in order every inning except the third, when Jesson reached third on three successive errors but died on that sack. Devers whiffed eight of the 22 to reach the plate.

Palm Springs scored one in the second on Devers' triple and Sherrod's boot of a grounder by Moore and three more in the third on three hits accounted for the only runs of the game. The remaining four innings were reserved for the pitchers amidst the chattering of teeth.

Ditching again!!!

Local "brains" who hold membership in the honored P.S.H.S. Scholarship Society took their annual ditch-day last Wednesday.

Partaking in the well-earned rest due to almost unheard of report card grades, the much-envied group consisted of Ed Wills, Carol Burkett, Margie Rhineman, Connie Tilghman, Joan Whorton, Mortel Goldberg, Dick Hine, Mildred Woolhouse, and Art Jones.

Track Men Getting Ready for Season As Baseball Ends

As the baseball season draws into its closing weeks, track is ready to take its place, but as yet Coach Thompson has not had full response to begin training. Since track events are individual participations, a training program for track athletes must naturally begin early.

To stimulate "track-mindedness", Coach Thompson has proposed a decathlon which is to take place April 2, 3, 4 and 5. These tryouts will bring forth our potential track talent and ready these athletes for the interclass meet and league meets.

The interclass meet will take place from April 10 through the 12th, with the events divided into three classes; one set of events on each day. There will be A, B and C contests provided

athletes are secured. As yet there are no C's in the Senior class, and no A's in the Freshman class. Loren Rude will head the seniors, Alan Anderson will act as Junior class captain; Chuck St. George is Sophomore head, and Chivi Torres is to lead the Freshmen.

During the week of April 16-20, Palm Springs will participate in the Redlands Invitational at Redlands, and the following week at Banning for the Banning duo.

HONORED—T/Sgt. Johnny Miller who received the Legion of Merit in the European theater of war.

Villager Honored With High Award In European Area

T/Sgt. Johnny Miller, a native of Palm Springs, and well remembered from the Palm Springs Photo Studio, was presented with the "Legion of Merit," which is the highest award a non-combat soldier can get.

He wrote his mother, Mrs. Freeda Miller: "We had a big formation where the medals were presented. Of all the soldiers in the center group, I had the highest award and was the first to have the general present it. There were several officers in the group who received the Distinguished Flying Cross for flying over every country and it seems strange that mine has a higher value."

Johnny is 27 years old and has been in the Army for three and one-half years. He is now in the European theater of war.

William Tangeman, head of the General Electric's Hotpoint plant in Ontario, visited the Village the fore part of the week.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs

By PFC. TED W. ENGSTROM

CASH, FURLoughs, PASSES AWARDS

The Torney General Hospital Suggestion Program is off to a new start this spring with Major Sam Guyton, the new chairman, assisted by Mrs. Mildred Waddle as executive secretary, heading the revamped program. Many suggestion awards have already been made. Roy Miller, Post Engineers, has been awarded \$25 for inventing a safety device which holds lumber in place on the shaper machine. This idea not only resulted in 500 man hours saved a year, but was deemed as a great safety factor applicable to other military installations.

Other recent winners of cash awards were Charles Adams, Post Engineers; Neta Lanning, Post Office; Merle Duncan, Registrar; and H. C. Nagel, Post Engineers. Civilian awards have been recommended for Charlyne Slater of Supply Division and Mary L. Edgar, Photo Lab, for her invention. These awards represent a total estimated yearly man hour saving of more than 1650.

Enlisted men of the command also seem to have plenty of suggestions. Sgt. Henry Kimball of Reconditioning devised a new classification form which resulted in savings of 1560 man hours yearly. He was recommended for a 10-day furlough for his fine idea. First Sergeant Charles Tuttich couldn't let a member of his command beat him on furloughs, so he, too, submitted a suggestion which resulted in a recommendation for a 10-day furlough.

Pfc. Dennis Ward of the Lab, won a six-day furlough while three day passes have been recommended for Sgt. Richard Tippen, Supply Division T/5 Everett D. Borum, Lab.; T/5 Thomas J. O'Connor, Lab.; T/Sgt. Forrest Graffice, Lab.; Cpl. Loftus, A &

Desert Man in Thick of Battle

Pvt. Lloyd R. Robinson of Cathedral City was one of the men who took part in the heroic stand of the 101st Airborne division at Bastogne during the battle of the Bulge, according to army information.

Cut off from all aid, including supplies, which could not be flown in because of low ceilings, the division defended itself by constant attack, although ammunition ration at one point was limited to 11 rounds to the gun.

The encirclement of the division at Bastogne finally was broken, but only after seven days.

SURGERY CONFERENCE

The surgical staff of Torney General Hospital is acting as host to a special conference in hand surgery beginning Monday, March 26, and lasting through Friday. Dr. Sterling Bunnell, leading civilian specialist, is to lead the four-day session. Surgeons from various Southern California ASF and AAF hospitals are in attendance for this special conference.

FUTURE AVIATION

How swift and economical air transportation will vitally affect the life of people in all walks of life in the post-war world, was explained here Tuesday by Geoffrey F. Morgan, manager of the Douglas Aircraft Company, Santa Monica, as he addressed civilian personnel at 11 a. m., and military personnel at 2 p. m. in the Red Cross auditorium.

Speaking on "The Shape of Wings to Come," Mr. Morgan gave his listeners the latest available information on probable size, speed and range of the airplanes of the future, and the types of cargo which they will carry to and from the four corners of the world.

Jerry Sanborn in Oil Fields Aiding Navy Fuel Search

G. K. (Jerry) Sanborn is still in the Navy—but he's far from the ocean at present. He is stationed at Topman, Calif., in the U. S. Naval Reserve No. 1, running survey parties in the development of new oil fields.

"I tried to convince the Navy that I was no good to them now but they wouldn't believe me and put me on limited shore duty here," he wrote.

"Milt Hicks and I were together for a month or two at Camp Parks and he went to Shoemaker hospital the day before I was ordered here."

"I sure would like to be back in Palm Springs and settle down to live a normal life with my family. This place is about 25 miles west of Bakersfield and 12 miles east of Taft."

Cathedral City Chamber to Meet

Cathedral City chamber of commerce will hold an important meeting next Wednesday, April 3, in the Town Hall.

All members are urged to attend to discuss matters vital to the community.

Floyd Lowe, prominent Palo Alto realtor, and Frank Crist, are house guests of Mr. and Mrs. A. E. Hoover, 987 North Patencio

family now in uniform, John R. Vasquez, machinists' mate 2/c, who has served two years at Guadalcanal and is now home on a 30-day leave, and Sgt. Adrian (Mel) Melendez, who was with the 104th Engineers (known as the Timber Wolves) and who has been awarded the Purple Heart and a presidential citation.

Internal Revenue Collector Speaks At Lions Meeting

Collector of Internal Revenue Harry C. Westover was guest of honor at yesterday's meeting of the Palm Springs Lions club at noon in the Desert Inn.

Subject of Collector Westover's address was "The Other Side," a resume of some of the amusing incidents encountered during the recent federal income tax filing period. For example, there was the young couple who wandered into Los Angeles income tax office to get married. Mr. Westover said one of his deputies persuaded them to file their tax returns before proceeding to the city hall. Mr. Westover read several letters the revenue office has received, illustrating the laughs and the headaches of the department.

Behind this and other humorous sidelights there was a story of three million Southern California taxpayers who will probably pay upwards of two billion dollars to the federal government this year. Florian Boyd was chairman of the day and President Charles Burkett presided.

Earl J. Smith explained the "Better Palm Springs" to the club.

Additional action of filling the club's \$30,000 Hospital fund quota was taken.

MORE ABOUT . . .

Chamber Board . . .

bers of the chamber as of today and with the organization on the eve of a great expansion plan, the attendance Tuesday night is expected to set a new record.

A list of 20 names has been submitted to the membership from which 14 directors will be chosen Tuesday night to act with the hold-over directors in guiding the affairs of the chamber for the coming year.

President Gordon Feekings, Chairman Lykken, Mr. Smith and Secretary Kofeldt expressed themselves as "flabbergasted" at the enthusiasm shown. They knew, they said, that the Village would be for the drive but underestimated the strength.

The city was divided into ten classified groups and apportionments made on the basis of equitable quotas and on the basis of benefits to accrue.

INCREASE OWN QUOTAS

In no case have any of these apportionments been protested as too high and in six instances, the quotas have been voluntarily increased by from 10 to 400 per cent.

Outside interest is high, too, and at a meeting this week of the transportation group, there were representatives from the Southern Pacific, Santa Fe, Union Pacific, Greyhound, Tanner Livery and American Airlines present to join in the discussions.

helpers will meet Monday evening at the Field Club at 7:30 P. M., for a final session before the campaign climax is begun.

Although the actual drive to collect the fund needed to put over the vast betterment plan is not scheduled to start until next week, advance payments have been substantial and, according to Mr. Smith, the plan to "make Palm Springs a better place in which to live and to make a living" is apparently destined to succeed.

County Red Cross Goal in Sight is Riverside Report

Branches of the Red Cross in Riverside county outside Riverside city have raised \$108,966.16, according to the latest total figures available at Red Cross 1945 war fund campaign headquarters in the Mission Inn building, yesterday. County quota was \$103,500.

Riverside city was still behind in its quota, having raised \$93,572.34 of its share of \$103,500, the other half of the county total, by 4 p. m., yesterday. The city was behind about \$9975.

Military installations in the Riverside county area have raised \$15,576.86 for the year's campaign.

While the 1945 war fund campaign closes tomorrow officially, the Riverside city chapter expects to round up enough cash from the four remaining packing houses and one industrial firm yet to be heard from to put the city drive over the top.

KANSAS CAPITOL

On the wall of the conference room in the State Capitol at Topeka, Kansas, is a painting of a covered wagon drawn by oxen with the inscription: "They crossed the prairie as of old the pilgrims crossed the sea, to make the West, as they the East, the homestead of the free." To keep all America the homestead of the free today, service men cross seas to the west and east and Americans at home buy War Bonds. This great Kansas emblem of liberty, costing \$3,200,000, was started after the site was chosen by a vote of the people in 1866. The ground on which it stands was donated in 1862 for that purpose by C. K. Holliday, president of the Topeka Association.

Al Jolson Elopement To Arizona with Erle Galbraith

Al Jolson, fifty-six-year-old singer, and his bride, Erle Galbraith, 22, who he met while on a tour entertaining service men, were honeymooning here this week following their elopement to Quartzsite, Arizona, last Saturday. They made the trip to Arizona alone.

Last week Jolson wouldn't say yes or no to marriage plans but it was disclosed in Hollywood that they would probably be married Monday.

But, instead, they went to Arizona Saturday, leaving shortly after Jolson told reporters that "as far as he knew, Miss Galbraith was not in Palm Springs." She was.

Mr. Jolson, it seems, didn't take kindly to the inquiries of the press.

He is a guest at the Lorne Palm.

Test Pilot Dies In Plane Crash North of Village

Wreckage of a Mustang plane, missing since Monday, was found Tuesday night near Twenty-nine Palms. Pilot was Spencer Jennings, 33, North American Aviation test pilot, according to an announcement by that company, Wednesday.

Jennings took off from Inglewood Monday noon in the plane which was being broken in for the army. When he failed to return, a search was started in the desert area. The crash occurred just across the line from San Bernardino county. Deputy Coroner Seymour Cash investigated.

Six dancers collapsed on a Paris stage because of cold due to the coal shortage. The show turned out to be a frost.

New Base Chapel At 21st Group Field Dedicated

The new base chapel at the 21st Ferrying Group, ATC, Palm Springs army air base, was dedicated Palm Sunday with many taking part.

A building that once served as a barracks for men was converted into the chapel and work was finished in time for the start of Holy Week.

Protestant and Catholic services were held with palms given military personnel last Sunday.

Chaplain C. T. Northrup was in charge of the dedication.

Woman Has Close Call from Fumes In Trailer Blaze

Fire which, in itself, caused but slight damage, proved serious for Mrs. Margaret Reynolds, occupant of a trailer at the Palm Springs Trailer Park at 3:11 p. m., Monday.

The blaze, caused by an exploding oil stove, was subdued with chemicals speedily.

Mrs. Reynolds, however, re-entered the trailer too soon and was overcome by fumes.

The resuscitator squad of the fire department was called back to the scene at 4:20 to revive her, working for some time on her before she recovered.

Christian Science Lesson Text 'Reality'

"The throne, O God, is for ever and ever: the sceptre of thy kingdom is a right sceptre." This verse from the Psalms will be the Golden Text in the Sunday Lesson-Sermon on "Reality" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. A Lesson-Sermon selection from The Acts relates that a "man lame from his mother's womb" lay "at the gate of the temple which is called Beautiful, . . . Who seeing Peter and John about to go into the temple asked an alms. . . . Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. And he took him by the right hand, and lifted him up: and immediately his feet and ankle bones received strength. And he leaping up stood, and walked, and entered with them into the temple, walking, and leaping, and praising God."

In "Science and Health with Key to the Scriptures" Mary Eddy says, "Inasmuch as God is good and the fount of all being, He does not produce moral or physical deformity; therefore such deformity is not real, but is illusion, the mirage of error. Divine Science reveals these grand facts."

Episcopal Church Plans to Hold 3 Services Easter

St. Paul's in the Desert, Episcopal, will have three services on Easter morning so that all villagers and winter visitors may have an opportunity to attend and make their Communions.

Services will be at 7 a. m., 9 a. m. and 11 a. m. The Rev. Robert M. Hogarth, vicar, suggested that many would want to attend the earlier services to avoid the anticipated throng at 11 o'clock.

ANNOUNCES SERVICES

The vicar announced the services as follows:

7:00 A. M.—Holy Communion (plain), Rev. Robert M. Hogarth, M. A.
Carey Ranch, Phone 7471
8:00 a. m., Holy Communion.
9:45 a. m., Sunday School.

Community Church Observes 28th Anniversary and Finds Present Home Insufficient; May Build New Church

The 28th anniversary of the Community church was observed last Sunday when the pastor, Dr. J. R. Macartney read a communication from the stated clerk of the Riverside Presbytery which had a hand in the founding of the church and briefly outlined its history.

"Services had been intermittently conducted for a number of years in the wooden building which stood where the Carmel building is now located. There were four lots. Wellwood Murray, a prominent New York attorney, was the owner of the property when the attention of the Presbytery was called to this small community," he said.

CHURCH FOR ALL

"The understanding was that while he wanted it to be a church for the community, it should be part of some denominational body and the Presbyterians was his preference. On his own volition he transferred the title to the Presbytery of Riverside through Judge Frank Leonard.

"Some of the other ministers in this area felt it would be a white elephant on their hands to accept and attempt to carry on services, but on March 27, 1917, at 2 p. m., action was taken looking toward the organization of a church. Eighteen names appeared on the petition for organization.

"Three elders were elected for three years each. They were Carl G. Lykken, C. E. Bunker, Jr., and Miss Cornelia White.

ONLY FOUR NOW

"The only persons of the original group residing in Palm Springs now are Carl G. Lykken, Mrs. J. J. Kocher, Mrs. Zadie Buhker and Miss Cornelia E. White.

"The originators and charter members were: Rev. Thomas D. Christie, D. D., M. S. Gordon, Chauncey E. Bunker, Sr., Mrs. Cynthia A. Bunker, Mrs. Ann M. Pennington, Mrs. Lavinia F. Crocker, Edith E. Call, Orion Hatchett, Mrs. Alice Kirkpatrick, Joseph A. Setzer, Mrs. Elizabeth C. MacPhie, Mary Isabel MacPhie, Meda Stein, Mrs. Zaddie Bunker, Carl G. Lykken, Florence Kirkpatrick, Dr. J. J. Kocher, Mrs. J. J. Kocher, Josiah Gentry.

OUTGROW CHURCH

"A larger building being found advisable, the property on Palm Canyon Drive was sold to Mrs. Julie Carnell. A new site was purchased at the corner of Cahuilla and Baristo. The foundation stone was laid in 1935 and the building was completed early in 1936.

"The beautiful desert style edifice is one of the main show places of Palm Springs and is the center of a vital and strong religious influence in the village.

PLAN IS SUCCESS

"Demonstrating the faith of the early and faithful group, the congregations have outgrown the seating capacity of the church edifice.

"The community idea for a church free from sectarian and denominational emphasis, where all Christians may worship and have fellowship together, has succeeded in a remarkable manner.

"As high as 26 different denominations and sects were present by groups of from one to 85, at a recent census which was taken on the second Sunday in February."

PLAN TO ENLARGE

Dr. and Mrs. John Robertson Macartney were asked to take over the church shortly after its completion. Rev. Clarence E. Macartney, D. D., of the First Presbyterian church, Pittsburgh, preached the dedicatory sermon.

All four of the Macartney minister brothers have been in the pulpit of this church at the same occasion.

Much discussion is now taking place as to what to do to enlarge the edifice to care for the growing work.

A church architect has been invited to look the situation over.

It may result in the erection of an entirely new sanctuary and the utilizing of the present edifice for secondary meetings of the congregation.

SERVICES DURING DAY

At 7:30 a. m., there will be a complimentary breakfast for the singers at the Desert Inn.

At the Community church, Easter services for the children will be held at 9:45 a. m., followed by the outstanding service of the season at 11 o'clock. A full musical program will be presented by the choirs of the church and Dr. Macartney will preach on "Jesus Christ, the Same Yesterday, Today and Forever".

Music, sermon and a moving picture will mark the Easter evening service at 7:30 p. m.

Soldiers Even Up Series with High School Ball Team

The 21st Ferrying Group softball team evened the count with the Palm Springs high school team Wednesday afternoon, by beating the high schoolers 7 to 3 in a return engagement. The local high school had trimmed the Ferrying Division outfit in the first game of the season.

Ashley was doing the pitching for the high school and Cartwright was on the mound for the air base team. The game was played at the base and a group of G.I.'s watched the show.

Little trouble was experienced by the ferrymen. They took the lead early in the session and were never threatened. The high school club made its three runs in the last inning, getting its only two hits of the game in the final frame. The base crew got six hits on Ashley's offerings, Dick and Bierer each tagging the ball for home runs.

The box score:

Embarrassing, That's What It Is, Says Soldier

It's embarrassing! Guillermo Cesena of Lemon Grove, Calif., now at Torney suffering from a fractured vertebra says that he has to do a lot of red-faced explaining when people sympathize with him.

He was for some time on Lady Island in the Philippines and that was where he broke his neck.

But it wasn't in line of action. He said he did it diving from the bank of a river.

MORE ABOUT...

Rodeo . . .

Rodeo was the parade Saturday. It was originally intended for Friday but cancelled when it was feared flying papers would frighten the high-spirited horses in the march.

Saturday night a dance at the Roller Rink on the Field Club grounds attended by Villagers and visitors, added handsomely to the receipts.

There were 2,000 in the stands at the Field Club Saturday and 4,000 Sunday.

EXCELLENT STOCK

The stock for the show was furnished by the Western Rodeo association, George Demaree, president, and was the best possible.

Many in the stands who have seen many rodeos were loud in their expressions of praise for the stock.

George C. Rasmussen handled the details and Allen Ross, the announcing.

DOC WAUGHOP HURT

The affair was full of unexpected thrills. Doc Waughop, local photographer who was all over the field getting the events, got in the path of one of the Brahma bulls and suffered a broken rib. But he got his pictures. Six of the cowboys received minor injuries when thrown by their mounts.

One, Gerald S. Littrell of San Jacinto, was killed that night near Indio when the car he was driving, collided with a cattle truck. It took two hours to extricate his body from the wreckage.

Clowns, show horses, thrilling quarter mile races, bulldogging, calf roping, and all of the big rodeo features, gave the large throngs exciting afternoons.

Propponents of the Field Club purchased last fall were highly delighted by the success of the event and said it would take but little effort to make the grounds the center of Village attractions.

THAT MAN'S A HERO

... if he's wearing a silk moire ribbon with stripes of blue, white, blue, white, red, white, blue, white and blue.

This ribbon signifies the wearer has been awarded the Distinguished Flying Cross for "extraordinary achievement, the results accomplished being so exceptional and outstanding as to clearly set him apart from his comrades who have not been so recognized."

THRILLS, SPILLS—One of the exciting events at last week-end's Rodeo when a contestant had trouble sticking to a Brahma bull. Doc. Waughop took this picture. It was a bull like this that injured him later.

**KEEP CATHEDRAL CITY CLEAN
AND BEAUTIFUL****AN ART CENTER HERE**

In proportion to its population, Cathedral City has a generous share of resident and guest artists.

The big open spaces attract the painter of landscapes. The snow-crested mountains with smoke trees in the foreground, the sand dunes close by—these are manna for the artists who live here and for those who come this time of the year to set up their sun umbrellas in the sand and go to work.

The people here like and appreciate the artists and it seems that the artists in turn like Cathedral City.

Kurt Reinheman, chairman of the Art Committee in the Civic Improvement Association has arranged to have the art exhibit again this spring at the studio home of Agnes Pelton, Chuperosa Lane and E. Sts., Saturday and Sunday, April 7th and 8th between the hours of two and six.

Guest and resident artists alike, show their work at this timely exhibit. The public is cordially invited.

By W. R. HILLERY

In the Desert Legionnaire, which is a mighty fine publication, is a jingle, "Old Lady Rumor." The old girl is working overtime here and not getting the established scale. One of her productions is that we are selling out and moving to Palm Springs. That's a nice town, alright, but why would I want to leave a place with its hour more of sunshine.

Insofar as time and energy permit, I shall, no doubt, continue to work for the welfare and betterment of our village, our neighboring town and the area about us, and our county.

At Riverside on Wednesday the new county transportation committee was organized. It is new, because the old committee only considered roads while this one must consider airfields in relation to roads. A new world is opening to us. We must have the vision to go along with that of the engineers. I listened to three of them unfold the developing plans: E. Q. Sullivan for the State; Mr. Fulmor, county surveyor, and Mr. Marshall, technician for the county planning board. I heard Mr. Sullivan say many people employed in Los Angeles would live in Riverside, as it would take but 45 minutes to drive the distance over the combined freeway and limited access roads. My guess is that it would take another 40 minutes to come out here, maybe less. We will want to know how those coming by transport plane or their private planes will get to our village from the landing fields.

A new thought to me was that commuters are picking homes to the eastward of the metropolitan area because the sun is at their back while driving to work or returning home.

Cathedral City won't stand still. It will either go forward or backward. We know it will go forward because there are so many here that have the vision.

It is unlikely that our village will ever have a hospital or that we could support one if we got it. We should go out strong in support of the community hospital to be built only about three miles away. Probably if we must get to the hospital in a hurry we could gain access to the proposed highway either just east of our present highway as it leaves the eastern edge of the village or on the sixty-foot road that will tap the highway near our present water well, or probably still better, we should drive to a point just beyond the entrance to Smoke Tree Ranch, then turn north on Sunrise Way, which takes us to the hospital entrance less than a mile from where we turn north.

We will want to see the death

curves taken out of our highway just east of our village and see that done early in the estimated ten-year period needed to complete the planned work.

Frank C. Russell has recently discussed this matter with Mr. Sullivan, for it was one of the few places mentioned by name that was listed as urgent.

We will want flash floods taken care of and that matter will be reported on next Tuesday evening at Town Hall, where every resident is not only invited, but urged to attend.

Thanks of the community is due Mrs. Edna Cobb for writing the notes for The Desert Sun. It is the nearest approach to a local paper for us, and some sort of notes have been written now for about ten years. Speaking of Mrs. Cobb, reminds me that A. T. Cobb, Claude's father, is here and is not feeling any too good. With the storms of the equinoxes behind us, he and all of us should feel pepped up.

Mrs. Mary R. Yoder, her daughter, By; her son Edward, with his wife Ruth, and their two children, were here this week. All are former residents.

James Jordan and family are at the Desert Cove Ranch. Jim was one of the steadfast observers during the many months the observation post was maintained here. The Jordans own a home in the Peterson colony, Mrs. Jordan being a daughter of the Petersons.

Paul Clark and David Fall have purchased the Sunhaven Court. Mr. and Mrs. Clark have lived here at various times within the last ten years, and we are glad they will return here and will operate the Court. Mr. and Mrs. Fall are new to us, and we welcome their choice of Cathedral City as a place for investment.

In the future expansion of our community we will need an attorney who is resident here. There's a thought for you, David Fall.

Some excitement and comment has been occasioned by the building of a spiral road up the slopes of the mountain spur just west of the village. The wild rumors were that Walter Melrose was to build a night spot on top of it. Walter may or may not have the future use of the spot all figured out, but when I walked about it with him a short time ago he said he had in mind to build his home there. It will be one of those million dollar views of the desert that will be developed on the slopes of the mountains as time goes on.

Among the many newcomers are Mr. and Mrs. F. E. Ahlefeld from Orange, where his father settled in 1896. The Ahlefelds have purchased from Paul W. Clark the two cottages known as the Dr. Murray dwellings.

We will want to see the death

Pvt. J. F. Denier, son of Mr. and Mrs. Jay Denier and a popular Palm Springs resident, will be married April 3 at Camp Bowie, Texas, where he is stationed, to Miss Roberta Grayson of Redding, California, a young lady he has known since before he entered the Army in 1941.

Pvt. Denier returned in December from the Aleutians, having spent 23 months on the islands and along the Alcan highway. He started work on the highway the day ground was broken on it and continued until it was completed.

Pvt. Denier is a graduate of Beaumont high school with the class of 1939. While a student there he played on the football team. Before enlisting he worked with his father, a painting contractor in Banning and Palm Springs. His mother and father, now residents of Banning, hope to make reservations to go to Texas for the wedding.

The Tooele, Utah, Ordnance department is distributing pennies which have been to war and back, Ninth Service Command Ordnance officer announced today.

The metal was mined in Utah, fabricated into shell cases by the ordnance department, shipped to the South Pacific, fired at the Japs, returned to Tooele Ordnance depot as a fired cartridge case, reclaimed and shipped to U. S. mints, and returned to Tooele as a U. S. coin, for presentation as a souvenir of Tooele.

Get Acquainted With Your
Village Businessman

Leo Baker, the other half of Sam and Leo, well known local business firm, is the subject of today's introduction. (Sam Sattitz, his partner, was here a short time ago.)

Leo was born in New York on July 12, 1911, but didn't stay in the big town long. When quite young, his family moved to Cleveland where he went to grade schools and got in one year of college before the family moved to California because of his dad's health. That was in 1930.

His first job was as projectionist with MGM at which job he worked six years. At that time, the Plaza opened so he and Sam came here and opened Sam and Leo's Plaza Delicatessen. In 1940 they expanded, opening the El Rey Delicatessen where they sold fancy imported foods until the war put a crimp in shipments. They operated the two stores until last spring when they closed the El Rey and opened the El Paseo Market last fall, in September. At the El Paseo they have a complete market.

Leo says, "tell 'em one thing,

I had my twins before Sam did." It's a fact—the two partners run two stores and each has twins. Leo and Mrs. Leo's twins are now ten years of age, Joan and Donald.

In 1933 in Los Angeles, Leo married Ann and this reporter had a hard time getting him to talk about himself. He wanted to talk about Mrs. Baker. (Maybe we should have run her picture—it would have been good). She served with the nurses' aides throughout, even during the summer, handled the Christmas Seal sale, assists at the clinics at the Health Center, was one of Culver Nichols' most faithful air spotters when that service was in existence and, in general, has taken a terrific interest in civic events. You can't blame Leo for wanting to talk about her.

"In addition to all of her volunteer civic duties, she finds time to manage the home and be a big help in the two stores," he said.

Leo is a member of the Palm Springs Lions club and takes a big interest in Village civic affairs.

"I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

A Little of This and a Little of That:

The Federal Security Agency has been ruling, when the number of employees is computed for a small business, employing the mini-number required under the Social Security Law, that where a number of firms get together and employ, for example, a night watchman who serves all of them, that this employee must be charged against each separate firm. Thus one night watchman (using this for the example) employed by a half dozen or more firms, could actually move each one of these businesses from the below-minimum classification, into a classification which put it under the Social Security Act.

This was a mistake. You may have realized by this time that it would be a rare agency which would admit that it had ever made an error. In this case, a secret memorandum has been issued by the agency involved. The reason for the secrecy is obvious. All firms, previously finding themselves in this curious situation, and forced under the terms of the Social Security Act by some such joint employment, could now claim refund.

Questions arise from time to time in connection with the administration of the acts pro-

viding for hospitalization and obstetrical benefits for the wives of men in the service, and care of the child for a year following birth.

One problem has been the case of the wife who has applied for the benefits, which may start three months before the birth of the child, but whose husband is discharged from the service during that 90-day period. Is the wife (the husband no longer being in the service) now entitled to benefits under the Act? The answer is that she is entitled to these benefits.

Another problem has to do with the care of the child during the year following birth, particularly regarding the technicality of making application for such care. The wife makes application for herself, prior to the birth of the child. She receives the necessary hospitalization, prenatal care, and care for herself and the child after its birth. The Government agency handling this matter has been requiring a separate application to be made by the mother if care is needed for the child at any time later, during the ensuing year. This is not necessary. The application made by the mother at the time she asked for prenatal care for herself and the child, is sufficient application to cover care of the child for the following year.

Veterans will be interested to know that the first business loan made under the "G.I. Bill" was made about the middle of February by a bank in Washington, D. C. The veteran borrowed \$3,000 to buy a refrigerated truck. He intends to buy his meat from the wholesalers and sell to dealers within automobile delivery radius of Washington. This is a very familiar method to Californians, as we had several dozen independent operators like this at the beginning of the war, who were put out of business by OPA regulations, which have apparently since been changed to permit again the operation of such a service.

A new flame-spouting jet aircraft engine will use either high-grade kerosene or low-grade gasoline as fuel.

Mrs. Hinkle on County TB Group Executive Board

Mrs. Barney Hinkle was re-elected as the Village representative on the board of directors of the Riverside county Tuberculosis association at a meeting at the Mission Inn Monday.

Norman O. Norsworthy of Riverside was re-elected president of the association. Other officers inducted for the year were, William A. Wood of Riverside, and Dr. Bernice Todd of Corona, vice-presidents, and Charles E. Brouse, treasurer.

Elected to the executive committee, beside the above named officers, were Dr. Bon O. Adams, E. E. Smith, Mona Anderson, Ernest C. Button, all of Riverside.

Board of directors of the association are Mrs. Hinkle of the Village; Mrs. Chas. Hill, Banning; Calvin S. Dodds, Beaumont; Mrs. Ben Olson, Blythe; Mrs. Helen Voris, Coachella valley; Joy G. Jameson, Corona; Mrs. Anna Horton, Elsinore; Mrs. John Welch, Hemet; Mrs. Catherine Nixon, Indio; Mrs. Banta Beatty, Perris; and Mrs. Frasier Sallee, San Jacinto.

Seventy-five persons died of tuberculosis in Riverside county last year and 207 new tuberculosis cases were reported in 1944, according to Dr. Howard Bosworth of Los Angeles, president of the California Tuberculosis association.

Riverside county, because of favorable climatic conditions, is mecca for hundreds of health seekers each year, it was noted.

Future of Radio

Radio manufacturers expect to employ 68 per cent more persons after the war than they did in 1940 to meet the predicted demands for new household radios.

**Annual Hobby and
Flower Show Set
For Next Monday**

By MARTHA FORWARD

Just as surely as spring comes to the desert each year, comes the time for the annual Flower and Hobby show at the Palm Springs Woman's Club, and on Monday afternoon, April 2, club members and Palm Springs residents will be privileged to enjoy this annual affair. Each year the show seems to surpass the one of the year before and it is always an eagerly anticipated event.

The hobby section is always worthy a complete show of its own. Paintings, collections of china, glassware, jewelry, quilts with a history, and rare and unusual arts are displayed in interesting fashion.

OFFERS OPPORTUNITY

The "White Elephant" booth is always a mecca for picking up odd pieces of jewelry, pottery, brie-a-brac and some of the most astonishing valuables for almost a song—something that we have always wondered just where to put it, or what to do with it, and that other person knows she has just the niche for it.

Fifteen sections have been planned for the flower exhibits. 1. Flowers—mixed, natural and simple; 2. Flowers and figurines; 3. Flowers and fruit; 4. Flowers and vegetables; 5. Wild Flowers; weeds and grasses—dry weeds and green weeds; 6. Cacti and succulents; 7. Miniatures; 8. Monochromatic—three or four shades of one color; 9. Roses; 10. Petunias; 11. Pansies; 12. Iris; 13. Snapdragons; 14. Flowering shrubs; 15. Daises. All flowers must be grown in Palm Springs and all exhibits must be in by 12 o'clock noon.

FIVE QUALIFICATIONS

There will be five qualifications for judging points, each rating 20 points: 1. Relation of flower and container. 2. Color harmony. 3. Composition (balance). 4. Condition of material. 5. Distinction. Mrs. Thomas M. Holland will be chairman of hostesses for the tea hour following the show. She will be assisted by Mrs. Myron V. Wilson, Mrs. Harry L. Northern, Mrs. Gordon Clarke, Mrs. Frank W. Cutler, Mrs. Gordon D. Nicholson and Mrs. W. M. Davis.

Outsiders wishing to attend this show will be cordially welcomed. Admission for non-members is \$1.20.

**Catholic Party
Scheduled for
Tuesday at Inn**

Preparations for the annual card party of the Catholic church were nearing completion today with the event scheduled for next Tuesday at 1:45 P. M., at the Desert Inn.

Mrs. Nellie N. Coffman, Earl Coffman and George Roberson of the Inn management have generously donated the site for the party.

Mrs. Armand Turonett is chairman of the event, Mrs. Tom Holland in charge of ticket sales and Mrs. Earl Hough, treasurer.

**Albert E. Rogers
Entertain Guests**

Mr. and Mrs. Albert E. Rogers of the Pink Oasis on Verbena drive, entertained Mr. and Mrs. William Kimmont of the Kimmont Manufacturing company of Los Angeles; Mr. and Mrs. Lawrence Bernard, the former of Slim Pickings of the Los Angeles Examiner; Mr. and Mrs. Ellen Weeks and daughter, Peggy Jane, and Mr. and Mrs. Fred Ring of the Ring Oil company, over the weekend.

**St. Paul's Guild
To Meet Tuesday**

St. Paul's Guild of the Episcopal church will meet next Tuesday at 10 a. m. in the first post-Lenten meeting, it was announced today.

They will meet at the home of Mrs. A. V. Linkletter, 169 Ocotilla avenue, with Mrs. John Lapp as hostess.

**Mrs. Jeffrey and
Son Guests Here**

Mrs. Phyllis Jeffrey and son Mack are house guests of Judge and Mrs. Guy Pinney and will spend the Easter vacation here. Mrs. Jeffrey is the daughter of Mr. and Mrs. Warren Pinney and Mack is a student at Black Fox Military academy.

Mr. and Mrs. W. S. Balcom of Palm Springs, were recent visitors in Los Angeles, stopping at the Town House.

**Former Torney
Girl Weds Naval
Officer in East**

The marriage of Miss Barbara Bannon to Lt. (j.g.) Donald Fernan, U.S.N.R., was solemnized on February 22, 1945, at the Cathedral of Christ the King, Atlanta, Georgia, friends here were informed this week. Miss Florence Geraghty and Colonel Hans F. Smetana, M.C., both formerly of Torney General Hospital, Palm Springs, and now doing duty at the Army Hospital in Atlanta, Georgia, were the attendants at the wedding.

Mrs. Fernan is the daughter of Mr. John Bannon and the late Mrs. Bannon of Glendale, California. She made her home in that city with relatives, the Arthur Delaney's. She was laboratory technician at Torney General Hospital until recently. Mrs. Fernan attended Immaculate Heart Convent in Hollywood and was graduated with honors from the University of California, Santa Barbara Campus.

Lt. (j.g.) Fernan is the son of Lieut. P. F. Fernan, U.S.N. (Ret.) and Mrs. Fernan of Los Angeles. He spent two years at school in Nice, France, and Rome, Italy, and graduated from Loyola high school. Lt. (j.g.) Fernan attended the University of Southern California and received his Science Degree from the University of California, Santa Barbara Campus. He is now with Naval Air Combat Intelligence and doing duty at Gainesville, Georgia.

**Surprise Party
Nets More Cash
For Hospital**

It was a surprise party for Mrs. Perry Saftler, winter visitor, Wednesday night at the B-Bar-H ranch, but it also turned out as a surprise to the Palm Springs Community Hospital. For they netted \$204 in a surprise auction of a pair of nylon hose offered by Vi Saftler for the hospital fund.

The lovely Ann Dvorak of movie fame, added to the surprise by consenting to have the pair of nylons tried on her pretty limbs, providing the task went to the highest bidder, the money to go to the hospital fund. Jerry Hasterlik of Chicago, quickly entered a high bid and Ed Beck whose highest bid in the auction had won the nylons, donated them. Si Seadler of MGM did an excellent job as auctioneer and the try-on of the stockings was a complete success.

Seadler added, after the fund was turned over to Ernie Alschuler of the hospital committee: "Santa Claus never filled a stocking more beautifully".

**Mrs. Ona Brown
Hostess at Gay
Buffet Dinner**

Mrs. Ona Brown entertained Friday night in honor of Anita Haskell Jones, whose birthday it was, at a buffet dinner at her home in Palo Verde and also in honor of Mr. and Mrs. Walter Munroe, winter visitors here who left for their home after the season at the Desert Inn. Other guests especially honored at the delightful affair were: Carla Conti, Major and Mrs. William Hinto, Mr. and Mrs. William Malouf, Mr. and Mrs. Kenneth Kirk, Col. and Mrs. Gordon Williams, Ken Purdy, Mr. and Mrs. William Powell, Mr. and Mrs. Hal Moffett, Ben Batch, Mrs. Lou Schillig, Capt. and Mrs. J. Gubbins, Mrs. Ethel Parker, Mr. and Mrs. C. Pitt, Capt. Bob Atkinson, Lt. Cmdr. J. Chaplin, and Lt. Cmdr. K. Seldyon.

**Western Dance
Boosts Hospital**

A Western dance and kangaroo court at Taylor's Trailer park Saturday night delighted a large throng and as a result, Burt L. Warring, in charge, this week presented a \$50 bill to Ernest Alschuler of the Community Hospital committee, subscribed at the dance by those attending.

Western music donated by Claude Spoor and his orchestra and excellent refreshments added to the pleasure of the evening.

**Los Compadres to
Dance Next Tuesday**

Los Compadres club will stage its monthly dance next Tuesday evening at Rogers ranch, it was announced today. There will be excellent western music and the old time dance to entertain club members and their guests.

**Many Visitors Arriving to Take Part
In Easter Dawn Service Next Sunday;
Desert Inn Plays Hosts to Many Guests**

Each week throughout the season in Palm Springs is filled with gay entertainment, but the climax of the entire winter program is the impressive Easter service held just as dawn breaks over the beautiful desert. The traditional sunrise ceremony will take place in its usual setting on the mountain above the Desert Inn.

A large contingent of visitors from Los Angeles and vicinity already are checked in for the holiday week, as many have for years brought their families to Desert Inn for the spring vacation. One of the most popular yearly visitors to vacation here is Shirley Temple, who has been making Desert Inn her Easter vacation spot since she was the nation's outstanding child star. Her parents, the George Temples, checked in with their winsome daughter. Little Shirley was the center of interest at many an Easter egg hunt held in these gardens.

FOR EASTER SERVICE

Others down for the pre-Easter week and staying through Sunday, are Dr. and Mrs. Russell Sands, Santa Monica; Mr. and Mrs. Arthur D. Hyman and Barbara, Beverly Hills; Mr. and Mrs. Stephen M. Griffith, Mrs. Benjamin P. Griffith, Stephen and Gertrude, all from Los Angeles; Mr. and Mrs. R. N. Simpson and family, San Marino; Mr. and Mrs. Robert E. Brigham, Los Angeles; Mr. and Mrs. W. E. Randall and son, Los Angeles; Mr. and Mrs. K. T. Norris and son, San Marino; Maj. and Mrs. John Baxter and William B. Baxter, Pasadena; Mr. and Mrs. R. J. Merritt, Los Angeles; Mr. and Mrs. D. P. Smith and Judy, Los Angeles.

Representatives of the movie and radio world here for Easter week are Mr. and Mrs. Randolph Scott, Mr. and Mrs. Richard Dix, Mr. and Mrs. Freeman Gosden (Amos of Amos and Andy radio program) and his daughter, Miss Virginia Gosden.

During her annual spring visit here, Miss Jane Maggard, woman's page editor on the San Francisco Chronicle, was the incentive for a luncheon given last Thursday by Mrs. Earl Coffman.

The hostess entertained her guests at an attractively appointed table arranged beneath the colorful umbrellas on the front terrace of Desert Inn.

Places were indicated for the honoree and her house guest, Mrs. William Ford; Mrs. Charles A. Boynton, of Salt Lake City; Mrs. C. M. Linton, who recently took the Madison House at the Inn for an extended stay; Mrs. Aileen Woods, of New York City; Mrs. Harold Schilling and her house guest, Mrs. R. B. Gage, of Los Angeles; and Mrs. John Howard (Ruth Roberson).

FROM SEA TO DESERT

Trading the salty, sea air for a few days of dry desert climate are Rear Adm. and Mrs. R. P. McCullough, who are guests at Desert Inn for a short sojourn. The high ranking naval officer and his wife reside at Fairmont hotel while stationed in San Francisco. Another naval couple, Lt. Comdr. and Mrs. Jay B. L. Reeves, are up from Coronado for a short desert stay.

Mr. and Mrs. Alvin C. Rishel were down from Los Angeles mid-week to make reservations at Desert Inn for themselves and J. F. Sartori for a month's stay after April 15. This threesome spent a month at the Inn before Christmas, and probably will stay through until the fashionable hotel closes this season.

Judge and Mrs. B. J. Wyman chose the warm desert climate for their week's stay here from Oakland. Checking the menu that same time was Robert L. Osborne, also down from Oakland.

HONEYMOON HERE

Couples honeymooning at Desert Inn this week are Lt. Comdr. and Mrs. Robert S. Hill, who stayed until Saturday before returning to Vallejo. Lt. and Mrs. V. A. Musselman were down from Beverly Hills after their wedding. These two spent the sunny days on the badminton courts, playing tennis, and swimming.

When Harold Murphy was invited to dinner at Desert Inn the evening of March 22 by Mr. and Mrs. William Irving, of Santa Monica, he never suspected the party was being planned as a surprise celebration of his birthday.

Others assembled for the festivities that evening were Mrs. Murphy, Miss Bernice Lutz, Beverly Hills; Mrs. Margaret Kneen and Mr. and Mrs. James Nume. The

Elected Head
of O. E. S. Club**

The sixteen members of the Order of the Eastern Star who met at a luncheon at the Palm Springs Hotel on March 13, held their second meeting at the home of Mrs. Harold Murphy on Saturday evening, March 24.

At this meeting the group organized a Luncheon Club to be called Palm Springs Order of the Eastern Star Club. This club is to work in conjunction with the Masonic club here and is to meet on the second Friday of each month.

The following officers were elected: president, Mrs. Florence Murphy; vice-president, Mrs. Fern White; secretary, Mrs. Emma Hathaway, and treasurer, Mrs. Edna Brott.

Frank Wolff, past master of the Santa Monica Masonic Lodge and also a member of the Order of the Eastern Star, was the guest speaker. He gave the newly formed club much good advice and made many suggestions relative to the forming of an Order of the Eastern Star chapter here in the future. Dainty refreshments were served.

The next luncheon will be held at the Palm Springs Hotel on Friday, April 13 at 12:30 P. M. All members of the Order of the Eastern Star here in Palm Springs are cordially invited to attend this luncheon.

Lt. Col. George L. Pearson, chaplain at Torney General hospital, entertained informally at the Sunday luncheon hour in De Anza room as a welcome back to Mrs. Pearson, who arrived that day from San Francisco for a pre-Easter holiday. Others at the mid-day party were Col. and Mrs. A. B. Jones, Rev. and Mrs. John R. Macartney and their daughter, and Miss Katherine Jones.

AT DINNER DANCE

Mr. and Mrs. William Eisenman presided at a table for seven at Saturday evening's dinner dance. It was a welcome back to Mr. Eisenman, who has been touring the northwest for the past few weeks on business. Their guests were Dr. Kent R. Van Horn of Cleveland, national president, American Society for Metals; Mr. and Mrs. Edward Lawless, general manager, Palmer House, Chicago; Miss Evelyn Gardner, Cleveland; William R. Randle.

Among those greeting the first days of spring in the hot California sunshine is a foursome from Detroit, Mr. and Mrs. Edward H. Miller with William Miller and Miss Jacqueline Quinton.

One foursome having an especially good time at the dinner dance included Mr. and Mrs. Syd Chaplin who were hosts to Mr. and Mrs. Walter McManus.

**County Swings
Back Into GOP
Column This Year**

New figures released last week by County Clerk Gordon A. Pequegnat, showed that Riverside county had swung back to the Republican party following the purge of ineligible names from the registration lists.

Voters registered under the Republican banner now total 21,837, while the Democratic total is 21,007. Thus, the GOP lead is 830. Total registration stands at 44,833, compared with 50,725 at the close of registration last September 28.

Total registration for the city of Riverside is 17,642; county outside the city 27,191. Republican registrations in Riverside number 9,825, as against 7,076 for the Democratic party. In the county outside the city, Republican registrations are 12,012 and Democratic 13,931.

Previous to the purge, Riverside county registration statistics gave the Republican total as 24,241 and the Democratic total as 24,450. The lead then was held by the Democratic voters, with 209 more registrations.

The return of the county to the Republican fold, so far as registration figures are concerned, is due to the GOP lead in the city of Riverside, 2749.

The new figures were released by County Clerk G. A. Pequegnat. The purge was in charge of J. C. Roberts, chief deputy.

**Five Types of Gas
Coupons to Expire
Saturday, March 31**

Five types of gasoline ration coupons now in use will expire at midnight, March 31, William Lippman, local rationing chairman, announced today.

The coupons to expire are B5 and C5's, each good for five gallons of passenger car rations; El and RI, off-highway ration coupons, and all unnumbered D coupons, motorcycle rations.

New coupons to take the place of those expiring are now being issued. These include the new B7 and C7 series and E3 and R3 for non-highway use.
